

For multi-family (3+ units), commercial, industrial, institutional, or mixed use building projects, this form *must be attached* to a completed Building Permit Application form. This form is to be completed by the architect or engineer who prepared the plans for the subject project.

#### REQUIREMENTS FOR PLANS:

- All plans submitted for review must bear the *signature AND seal* of a registered architect or engineer.
- Fire rated assemblies must have the applicable UL design numbers included in the specification booklet or shown on the plans.

# PLEASE COMPLETE ALL ITEMS AS INDICATED; THIS INFORMATION IS THE MINIMUM REQUIRED FOR PLAN REVIEW.

For applications that do not include all required plans (i.e. deferred submittals), this form **must be attached** to a completed Building Permit Application form. This form is to be completed by the architect or engineer who is the *"Registered Design Professional in Responsible Charge."* 

### **REQUIREMENTS FOR DEFERRAL:**

- Deferral of any submittal items shall have the prior approval of the Building Official in accordance with Michigan Building Code, section 107.3.4.2.;
   submittal of this form does not constitute approval.
- The "Registered Design Professional in Responsible Charge" shall list the deferred submittals on the construction documents for review by the Building Official.
- Documents for deferred submittal items shall be submitted to the "Registered Design Professional in Responsible Charge" who shall review them and
  forward them to the Building Official with a notation indicating that the deferred submittal documents have been reviewed and found to be in general
  conformance to the design of the building.
- The deferred submittal items shall not be installed until the deferred submittal documents have been approved by the Building Official and applicable permits have been issued.
- These uses are <u>ineligible for deferred plan submittal</u> and will not be accepted for review if the application/plan is incomplete: Restaurants, Assembly, Auto Services, Nail Salons, and Hazardous Occupancies. Incomplete applications/plans for other uses may or may not be accepted for review, as determined by the Building Official.
