

Site plans need the following identified:

- Property lines
- Existing buildings
- Location of tents with **dimensions** to property lines, buildings and other tents (any distance greater than 30 feet needs not be documented)
- Parking areas
- Fences

Floor plans (for tents with more than 50 occupants) require the following:

- Seating layout
- Stage location (if any)
- Exits and exit signs
- Dimensions of the tent and all bracing/support
- Cooking equipment
- Heating or cooling equipment
